

Anti-Bullying Policy

Bidbor'Out! will provide a supportive, caring and safe environment in which all children are free from the fear of being bullied. Bullying of any form is not tolerated in our club, whether carried out by a child or an adult.

We closely mirror and adopt the general policy of that practised by the school, that is if bullying does occur, all members of the school community should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING setting. This means that **anyone** who knows that bullying is happening is expected to tell the staff.

Staff, children and parents or guardians will be made aware of the Club's position on bullying. Bullying behaviour is unacceptable in any form.

Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the Manager. A clear account of the incident will be recorded in an **Incident log**. All staff will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

Bidbor'Out! defines bullying as the *repeated* harassment of others through emotional, physical, psychological or verbal abuse.

- **Physical:** Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any sort of violence against another person.
- **Psychological:** Behaviour likely to create a sense of fear or anxiety in another person.
- **Emotional:** Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, making another person feel 'left out' of a game or activity, passing notes about others or making fun of another person.
- **Verbal:** Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Bullying can include: inappropriate text messaging and electronic messaging (including through web-sites, Social Networking sites and Instant Messenger); sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

Racial harassment can take any of the forms of bullying listed above but is motivated by the victim's colour, race, nationality, or ethnic or national origins. Incidents of racial harassment will be recorded as such on the **Incident log**. (See our **Equalities Policy** for more information on how we deal with and challenge discriminatory behaviour.)

Preventing bullying behaviour

Staff at Bidbor'Out! will foster an anti-bullying culture in the following ways:

- Encouraging caring and nurturing behaviour
- Discussing friendships and encouraging paired, group and team play
- Encouraging children to report bullying without fear
- Discussing the issues surrounding bullying with the children, including why bullying behaviour will not be tolerated
- Exploring the consequences of bullying behaviour with the children

Responding to bullying behaviour

Bidbor'Out! acknowledges that despite all efforts to prevent it, bullying behaviour is likely to occur on occasion. Should such incidents occur, the Club will follow the procedure outlined below:

- We will address all incidents of bullying thoroughly and sensitively.
- Victims of bullying will be offered the immediate opportunity to discuss the matter with a member of staff who will reassure the child and offer support.
- They will be reassured that what they say will be taken seriously and handled sympathetically.
- Staff will support the individual who has been bullied, keeping them under close supervision, and checking their welfare regularly.
- If another child witnesses bullying and reports this, staff will reassure them that they have done the right thing. Staff will then investigate the matter.
- If a member of staff witnesses an act of bullying, involving children or adults at the club, they will inform the Manager.
- Children who have bullied will be helped by discussing what has happened, establishing why the child became involved. Staff will help the child to understand why this form of behaviour is unacceptable and will encourage him/her to change their behaviour
- If bullying behaviour persists, more serious actions may have to be taken, as laid out in the **Suspensions and Exclusions** policy.
- All incidents of bullying will be reported to the manager and will be recorded on an **Incident Log**. The manager and other relevant staff will review the Club's procedures in respect of bullying, to ensure that practices are relevant and effective.
